Mr and Mrs G Lamont
Another Room
aroom@bigpond.net.au

Dear Greg and Trish

I write to thank you for the construction of seminar rooms at St Peter's Anglican College.

The staff and students are very impressed with the extra study space and are already putting the rooms to good use!

Thank you for the speed and quality of construction and the professionalism shown by you and your staff.

I have no hesitation in recommending "Another Room" to other businesses.

Yours sincerely
